

What are the outdoor recreation needs in your region?

ACCESS

What are the opportunities or barriers to meeting your region's outdoor recreation needs?

Having the space to put the facilities!

mosaic of land ownership in Northern NM!

Finding partners and motivated stakeholder to implement

rails to trails are a good model for connectivity

Outdoor recreation comes up a lot in Northern NM. It's everywhere!

local government processes can be a barrier. particularly at the County-level

NIMBYs!

Need for more intentionality to implement plan and projects and get things finished!

Health and education services around OR are always increasing

Forming stakeholder and interest groups

grant match requirements

In small communities it's often a choice of outdoor recreation over other basic infrastructure. How we outdoor recreation as basic infrastructure?
