

What are the outdoor recreation needs in your region?

More developed public camping areas, such as at Oliver Lee State Park. We have dozens of folks camping and RVing in the borrow pit for the landfill on Dog Canyon Road because there is no room at the park. Sad.

Work with various Bike Groups to have Deming included in their maps of place to bike through.

Extension and addition of walking paths for Deming and Columbus

Fishing/swimming/boating opportunities. More trails both on the basin floor and in the Sacramentos/Lincoln National Forest for seniors and disabled folks.

Senior and disabled trails, hiking opportunities

Work on completion of Continental Divide Trail from Columbus to I-10

What are the opportunities or barriers to meeting your region's outdoor recreation needs?

recreation as something we needed to develop as a County, so we are new to it. I'm working on having it included in our County Strategic Plan as it is sorely needed as a great source of economic and tourism

New Mexico Clean and Beautiful has funding that can be used for parks
